

**UNESCO Madanjeet Singh Centre for
South Asia Water Management (UMCSAWM),
Department of Civil Engineering,
University of Moratuwa, Sri Lanka.
MSc Degree Programmes [Intake 2026/2028]**

**Application
deadline**

**International Applicants
31/Dec/2025**

**Sri Lankan Applicants
15/Dec/2025**

An Opportunity to Earn Your Postgraduate Qualification at UMCSAWM - a pioneering institute with over a decade of excellence in Sustainable Water Resources Engineering and Management in South Asia. The **Department of Civil Engineering**, in collaboration with the **UMCSAWM**, the **South Asia Foundation (SAF)**, and the **UNESCO Chair**, offers these internationally recognized **MSc Degree Programmes in Water Resources Engineering and Management (WREM) and Water Resources Management (WRM)**, designed for engineers and science graduates, providing a unique blend of technical expertise, research integration, and sustainability-focused training to prepare professionals for regional and global leadership in water and climate resilience.

Applications are called for the following MSc Degree Programmes

Degree Programme	SLQF	Duration (years)
Master of Science in Water Resources Engineering and Management (Coursework & research)	10	2 (Full/Part-time)
Master of Science in Water Resources Management (Coursework & research)	10	2 (Part-time)

**Weekend
lectures with
online and
physical
sessions**

UMCSAWM Advantages

- Leaders in sustainable Water Resources Engineering and Management (WREM) postgraduate education in South Asia.
- Newly introducing the Water Resources Management (WRM) program to train water scientists based on industry requirements and requests.
- Over a decade of excellence with well-established and student-friendly programs based on the unique Problem Based Learning/Design Thinking (PBL/PBDT) approach.
- An esteemed teaching panel of internationally qualified academics and high-calibre industry professionals.
- Proudly hosting an Advanced Irrigation Field Research and Demonstration Facility and a Hydraulic Engineering Laboratory.
